Business Spotlight

K-2 Tire and Dustin's Auto Repair

Are you in need of some good, new tires or even need a tire repaired? What about some transmission or engine work? No need to drive 30 miles or more. Sylvia is blessed to have these services available.

Tires of all sizes and brands can be ordered and usually installed the very next day. Kenny will also mount, balance, or rotate tires. Not only that, the business owner buys old cars and trucks or metal for scrap.

Dustin does basic car maintenance and repair. He also rebuilds engines and transmissions.

The shop is located at **33225 West Longview Road**, south of old Highway 50 next to the old grade school.

For after-hours service give them a call at (620) 204-8985

If you need a vehicle worked on or repaired there's no better place than here. We do more than tires at K-2 Tire and Dustin's Auto Repair. Our services go much further than the name suggests.

Stop in for a visit and a free cup of coffee. Somedays you may even find a cookie to enjoy with your coffee.

Never doubt that a small group of thoughtful committed citizens can change the world: indeed, it's the only thing that ever has.

Margaret Mead

Library Corner

News and Notes from Cheryl

FINALLY---I took down the snowmen decorations at the Library! Spring has sprung, and I'm sure most of you are happy about that!

Our Soup Supper/Bingo night was a huge success, and I thank, thank, THANK everyone who helped make it one! That includes the cooks, the bingo caller, and especially those who turned out to participate! Without you, well, there would have been a HECK of a lot of soup to take home!

Everything was delicious! Thanks again!

I'm in the process of rearranging the books in the middle room at the Library, while at the same time cleaning the shelves. This is no quick task! I ask everyone who comes in to have patience with me.

It'll be nice when it's done, then I can start on the BACK room! Oh my!

We're in need of all the clean plastic grocery sacks we can get! We double bag them here at the library and take them down to the Sunflower Center for use at Commodities. Just drop them off here at the library or put them in the drop box out front if that's easier.

A reminder of the some of the services we provide here---a patron computer, printers, fax machine, interlibrary loan service, books, DVDs, puzzles, coffee and companionship! Can't beat that, and it's all for the asking! Cheryl 620-388-2084

No City Garage Sale

**Spring has sprung!!!
(We hope)**

With the warm weather we are itching to be outside playing in the dirt. Keith Blaske donated part of his Spring Break to till a larger garden plot behind the City Office. We would like to thank Keith for his time and equipment.

The 4th Grade and Elementary Student Council at Fairfield will plant seeds for plants to be transplanted into the garden. I would like to thank Karen Phillips for allowing her students to help us out.

The park equipment that was purchased will be shipped in the first part of April. With the cooperation of the weather, we would like to have it installed on April 26th. This will include dirt work, assembly, and cement work. If you are willing to help, please contact the city office.

Friends and residents of Sylvia,

The Commodity/Food Bank program has recently updated its paperwork. There is a new form that will be required from ALL participants of this program who may need assistance picking up distributions. We encourage you to familiarize yourself with what will be required moving forward. Those who show up for distribution without this form on file will unfortunately be denied. Please reach out to the city office to receive this form as well as return it.
